

How to find us

There's no getting past us.

More than anything, what makes the AirportConferenceCenter so ideal is its unique location and infrastructural integration. Everyone can get to it by the shortest possible path. No matter whether you come by car or taxi, ICE train or plane, whether you come from within Germany or another country. Convenient, fast and extremely practical.

By plane.

The AirportConferenceCenter is located in the Frankfurt Airport Center 1 (FAC 1), just a few steps from the piers. You'll find the passenger bridge from Terminal 1 to the FAC 1 above the two escalators in departure halls A and B.

By car.

The public parking facilities of Frankfurt Airport are available to guests of the AirportConferenceCenter, with capacity for more than 10,000 vehicles. It's best to drive into the parking building right next to the FAC 1 (entrance P 2 or P 3). On level 8 there is a direct ramp to the FAC 1, where the AirportConferenceCenter is located.

By taxi.

Head for "Arrivals", then follow the signs to the "CD/CC" parking lot, then toward the FAC 1. The main entrance is just a few meters further on the left. Inside, take an elevator to the AirportConferenceCenter.

By public transportation

Arriving at the airport train station, you will find yourself on the level "Under the Airport". Follow the signs to the "Frankfurt Airport Center 1". There an elevator will take you to the ramp leading to the FAC 1. From the long-distance train station, following the signs for the "AirportConferenceCenter" (ACC).
