

Modernization of Arrivals Hall B

The arrival areas A, B and C of terminal 1 will be modernised and adapted to the needs of their audience. Passengers, as well as meeters & greeters are the target group of this area. The offered product range comprises gifts, souvenirs, flowers and books. The gastronomy caters for the passengers and meeters & greeters with cold and warm food, as well as little snacks and coffee-to-go.

A special service to all passengers is offered by the hotel check-in counter. Here, the just arrived passenger will have the opportunity to check-in to his hotel and also the luggage will be handled for them.

Arriving passengers will get helpful orientation tips from the hotel check-in counter. Newly designed waiting areas offer a pleasant stay, a specially designed smoking lounge will also cater for the smoker's needs.
