

Airport Forum

Visit the AIRPORT FORUM: the Newly Designed Communication Center at Frankfurt Airport.

Lots of new things await you on over 400 square meters! Take advantage of diverse information media such as text and image panels, a video film, touchscreen monitors, an interactive graphical glass floor and much more to call up and view information. If you have any questions, the Airport Forum team will be happy to assist you.

**Opening hours: daily from 10.00 a.m. to 05.00 p.m.
For more information, call: +49 (0) 69/690-218-00**

You'll find us in the passageway leading from Terminal 1 to the long-distance train station.

The redesigned, updated Airport Forum lets you have fun learning about the many facets of Frankfurt Airport:

- The history of aviation and Frankfurt Airport
- Flight destinations and route networks
- The importance of air cargo
- Networking of air, rail and road transportation
- FRA as a motor driving the regional economy
- Occupations at the airport
- Environmental protection and noise abatement
- Security at the airport
- Expansion of the airport
- The Fraport Group
