

Access rules

We're in touch with the world — securely.

Cargo City has one of the world's most dynamic, complex merchandise flow systems. Millions of people and companies depend on it working reliably and smoothly day after day. Security is therefore a must, and we have therefore developed a special security concept for Cargo City as part of Frankfurt Airport:

- Access for visitors and suppliers
(http://www.airportcity-frankfurt.com/cms/default/dok/71/71158.access_for_visitors_and_suppliers.htm)
- Access for employees
(http://www.airportcity-frankfurt.com/cms/default/dok/71/71159.access_for_employees.htm)
- Access for vehicles used at work
(http://www.airportcity-frankfurt.com/cms/default/dok/71/71160.access_for_vehicles_used_for_work.htm)
