

Company / employees

At a dynamic center.

Cargo City is situated in the middle of one of Europe's most economically dynamic regions, which accounts for nine percent of Germany's gross domestic product. It harbors sufficient reserves to drive lasting economic growth and steadily increasing employment. Over 250 airlines, forwarding agents, express services, and other providers are already reaping benefits, and over 9,000 new jobs have been created there. In Cargo City, your company is open to the world — today and especially tomorrow.
